Terms and Conditions

1. To be eligible for a rebate in accordance with this application, I must be a customer of Pacific Gas and Electric Company (PG&E) with an active meter and be installing a qualified product(s). All references to the term "install, installation or similar phrases" shall mean that the product is completely installed and is entirely functional and operational.
2. I understand for each product installed the requirement is to complete a separate application for each individual address and Service ID number.
3. I understand the rebate availability term is from January 1, 2016 through December 31, 2016 ("Term"). The Term may be extended upon approval by the California Public Utilities Commission (CPUC). Products purchased and installed within the Term, submitted to PG&E within 60 days of purchase, and according to application instructions are eligible for a rebate, provided rebate funding is still available. Funding is available on a first-come, first-serve basis.
4. Rebate offerings and rebate amounts may change without notice during the Term. Resale products, rebuilt, rented or leased less than five years, received from warranty or insurance claims, exchanged, won as a prize, or new parts installed in existing products, do not qualify for any rebate. The terms and the application requirements may be modified or terminated without prior notice. Complete applications must be submitted to PG&E within 60 days of purchase, according to application instructions, and no later than March 1, 2017.
5. I understand only complete applications can be processed for rebates. Failure to submit a complete application may result in rejection of a filed application. Complete applications must include all required application information, a signature, proof(s) of purchase and other required documentation for all products as referenced in this application. Original applications will become the property of PG&E. Neither PG&E nor its authorized third party will be responsible for items lost or destroyed in transit through the mail or electronic medium.
6. I will allow, if requested, a representative from PG&E, the CPUC, or any PG&E authorized third party reasonable access to my property to verify the installed product before a rebate is paid. I understand a rebate will not be paid if I refuse to participate in any required verification that is scheduled within 30 days of PG&E or its authorized third party contacting me. PG&E or its authorized third party may contact the product vendor and/or installer, if needed, to verify purchase and/or installation and may provide my name and/or address to third parties to complete this verification.
7. I certify that I have installed product(s) in accordance with all applicable federal, state, and local laws, building codes, manufacturer's specifications, and permitting requirements. If a contractor performed the installation or improvement, the contractor holds the appropriate license for the work performed.
8. I understand the rebate amount cannot exceed the purchase price of the product, nor can it include taxes or shipping costs. PG&E reserves the right to limit the number of products rebated.
9. I understand I cannot receive a rebate for the same product(s) from more than one California investor-owned utility or other rebates funded through CPUC authorized energy efficiency funds. Products discounted by PG&E at the point of sale are not eligible for additional rebates.
10. PG&E MAKES NO REPRESENTATION OR WARRANTY, AND ASSUMES NO LIABILITY WITH RESPECT TO QUALITY, SAFETY, PERFORMANCE, OR OTHER ASPECT OF ANY DESIGN, SYSTEM PRODUCT OR APPLIANCE INSTALLED PURSUANT TO THIS AGREEMENT, AND EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATION, WARRANTY OR LIABILITY. I AGREE TO INDEMNIFY PG&E, ITS AFFILIATES, SUBSIDIARIES, PARENT COMPANY, OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES AGAINST ALL LOSS, DAMAGE, EXPENSE, FEES, COSTS AND LIABILITY ARISING FROM ANY CLAIMS RELATED TO ANY PRODUCTS INSTALLED OR SERVICES PERFORMED DURING THE INSTALLATION OR MAINTENANCE OF SUCH PRODUCTS.
11. If I am a tenant, I am responsible for obtaining the property owner's permission to install product(s) for which I am applying for a rebate. My signature on this application indicates I have obtained this permission.

Proof of Purchase Requirement

1. Retail Product Receipt/Invoice

Retail product receipts or invoices must be legible and include the following information. Photocopies are acceptable. Please retain the original for your records:

- Retailer or contractor name, address and phone number.
- Itemized listing of each product including quantity, product description, manufacturer, model number, or other identifying information (e.g. SKU number). This must match the requested product information listed on your application.
- Purchase price per product.
- Date paid with terms such as, "Paid in Full," "Charge" or "Net 30."
- Date product was installed.

2. Home Improvement Contract (HIC)

Depending on your energy-efficiency project, you may need to submit a Home Improvement Contract (HIC) to PG&E along with your proof of purchase.

- The California State License Board (CSLB) requires that licensed contractors provide you with an HIC if the total cost of materials and labor is \$500 or more. It is recommended that you request an HIC from your contractor even if the contractor's product and installation costs are less than \$500.
- If an HIC is your proof of purchase, your contractor must provide this to you, and it must be signed and dated by you and your licensed contractor.
- If the signatures are not dated, the date that the HIC was written will determine the product order/purchase date.

Using a licensed contractor

Many products, such as those in the General Improvements and HVAC categories, require installation by a licensed contractor. For additional information on HIC or the status of your contractor's license, visit cslb.ca.gov or call the CSLB at **1-800-321-2752**.
